

entities::Controller

```
classDiagram
    class entities_controller["entities::Controller"]
    class entities_shield_controller["entities::shield::Shield Controller"]
    entities_shield_controller --|> entities_controller
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "entities::Controller". Below it is a gray rectangular box with a black border containing the text "entities::shield::Shield Controller". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that the gray box inherits from the white box.
